New 2026 Junior Program

Greg Dingel, PGA Professional, and the Veenker Memorial Golf Course staff are offering a new outstanding Junior Golf Program. The program will meet on Wednesdays for 8 weeks beginning on June 3rd and running through July 22nd. Veenker will offer two different session times on Wednesdays. Session one runs from 8:00AM-9:30AM and session two runs from 9:30AM-11AM. Each session will have a maximum of 20 students. For the first four weeks kids will learn golf etiquette, driving, chipping, and putting skills to get them ready for the golf course. The last four weeks the kids will play 5 holes on the golf course trying to shoot under par from 25 yards out (par stays the same for the hole). If kids complete the task they will move back to 50 yards out and then try to shoot under par and so on. The philosophy is to grow from green to tee box. Participants will receive instruction on the golf course as well.

These sessions are designed for beginner boys and girls ages 7 – 13 who are interested in learning and enjoying the game of golf. Children must be 7 years old by at least July 1st. *The price of the program is \$300.00 this year. All Veenker Jr Golfers will receive a tee gift.*

Due to schedule constraints and staffing we will not make up any cancelled sessions. Veenker will do everything possible to complete all 8 sessions. Thank you.

During instruction all aspects of the game will be covered including: etiquette, FUNdamentals, putting, chipping, pitching, full swing irons, full swing woods, and rules of the game.

Please fill out both the registration form below and the permission form. Return both along with payment to the Veenker Memorial Golf Course Clubhouse, 2916 Veenker Drive. Ames, IA 50011. **This program will be limited, so sign up as soon as possible.**
