

Veenker Memorial/Fantasy Football Fall League

Cost: \$60 / team

Dates: Wed September 2nd- Wed October 28th

Teams:

Teams may be made up of 2 or 3 players, with 2 active players each week. Having an extra player allows for weeks off due to conflicts in schedules.

When: Players will schedule their own tee time every Wednesday and can play with teammates. You can play with other teams as well. Turn in your scorecard when you are done and we will email results within the next few days.

Format of Play:

Stableford quota system with a mix of fantasy football. 9-Hole Team Event Quota System. The overall team winner is the team that accumulates the most points above their total quota. If no team exceeds their quota, then the winners will be the team that is closest to achieving their overall quota. Each players' quota shall be initially determined by subtracting his/her Adjusted Handicap Index from 36. Amateurs must possess a handicap from Iowa PGA Golf Network, GHIN, CDGA, or some other handicap system that will be used as the index for the league. The maximum handicap for any golfer will be 28. Everyone's quota will be adjusted weekly for the next weeks' play by increasing the quota of those golfers who exceeded their quota by one-half of the excess, and by decreasing the quota of those golfers who failed to make their quota by one-half of the deficit. The weekly team quotas will be calculated by adding the adjusted individual quotas.

Scoring:

Point System:

Bogey = 1 point, Par = 2 points, Birdie = 4 points, Eagle = 8 points, Double eagle = 12 points.
